

2020 Package Bee, Nuc & Queen Prices

We will be getting our package bees from Northern California again this spring. We will be working with multiple producers to bring you a variety of lines and genetics. We buy from producers focusing on hygienic behavior, gentle temperament and good honey production. Queen types will be a choice of Italian or Carniolan on a first come, first served basis at time of pick up. We are not able to guarantee any queen type preferences.

We will be selling **5-Frame Nucs** again this year. The feedback from customers last year was very positive. Nucs will include 5- 9 1/8" Deep frames of Bees, Brood, Honey and a Laying Queen. We will be doing separate hand-out dates for the Nucs starting in early May 2020. We will **not** have any Nucs available for pick-up on our package hand-out days. Nuc queen types will vary and we are not able to guarantee any preferences.

Extra Queens will be available after first Package bee delivery through late Summer. We plan to have Saskatraz Queens available again later in the Spring. We will ship* your queen order in the order they were received. We ship Monday – Thursday. **Additional shipping charges may be required*

In an effort to help keep your cost down, we are now offering a **Cash discount**. **All orders are required to pay sales taxes unless we have a signed Wisconsin Sales Tax Exempting S-211 Form on file.**
