

## 2021 Early bird Package Bee & Queen Prices

We will be getting our package bees from Northern California again this spring. We will be working with multiple producers to bring you a variety of lines and genetics. We buy from producers focusing on hygienic behavior, gentle temperament, and good honey production. Queen types will be a choice of Italian or Carniolan on a first come, first served basis at time of pick up. We are not able to guarantee any queen type preferences.

**Extra Queens** will be available after first Package bee delivery through late Summer. We plan to have Saskatraz Queens available again later in the Spring. We will ship\* your queen order in the order they were received. We ship Monday – Thursday. \*Additional shipping charges may be required
