**New for 2025,** We have made the hard decision to cancel the Waukesha WI delivery location. However, we have added an Early Pick up for the Rhineland WI location. We are also adding Caucasian Queen type to the 3-pound package this year.

**Please note that not all queens are available in every size.**

Please

understand that while we do everything in our control to get you the package size & queen type that you have requested, we are at the mercy of the weather in California as it pertains to.

For more information on queen type please check out our package bee information on our website.
